Re: Conservation Chemical Company of Illinois, Inc. Site, Gary, Indiana

Dear Ms. Beasley:

This letter acknowledges our receipt of EPA's letter dated September 28, 1994, from Richard C. Karl, Chief, Emergency and Enforcement Response Branch, regarding the above-referenced site.

Please be advised that Honeywell is a member of the Conservation Chemical Company of Illinois, Inc. De Minimis Group, and Honeywell will continue to work with EPA through the De Minimis Group regarding this matter.

Please let me know if EPA requires any additional response from Honeywell in connection with the letter dated September 28, 1994.

Best regards,

A handwritten signature in cursive script, appearing to read "Roberta B. Olsen", written over a faint, illegible stamp.
